REPORT ON VISIT TO THE INDUCTION PUBLICITY EXHIBITION VEHICLE

Date: 10-07-2024

Venue: Air force School Sulur

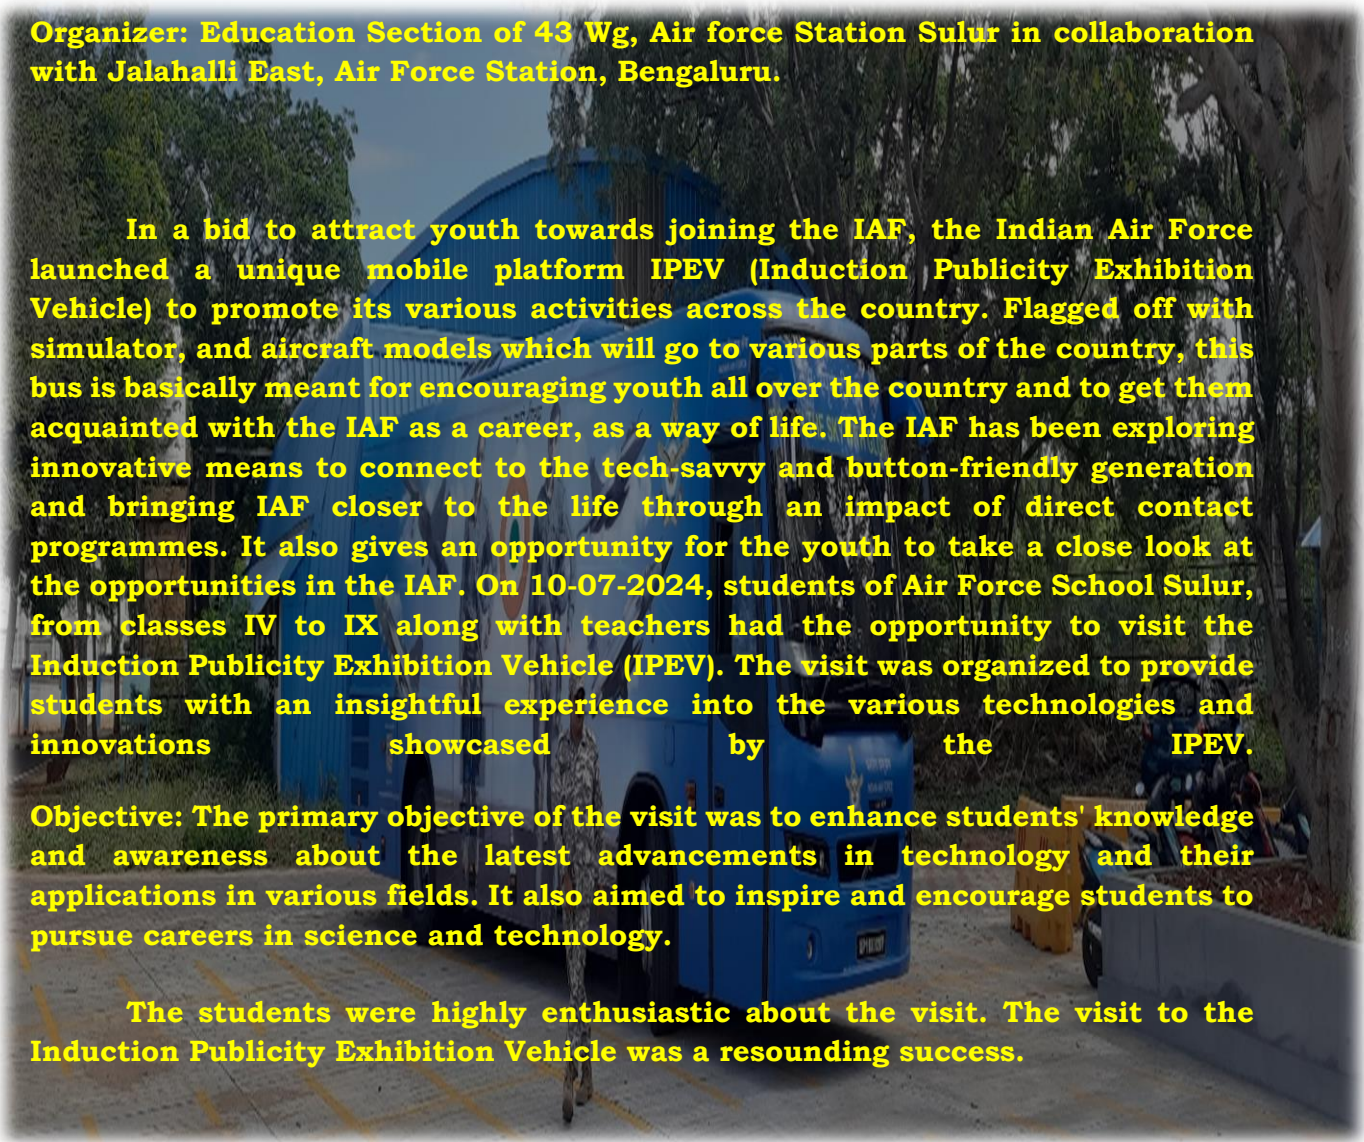

Participants: 304 Students and teachers from Air Force School Sulur

Organizer: Education Section of 43 Wg, Air force Station Sulur in collaboration with Jalahalli East, Air Force Station, Bengaluru.

In a bid to attract youth towards joining the IAF, the Indian Air Force launched a unique mobile platform IPEV (Induction Publicity Exhibition Vehicle) to promote its various activities across the country. Flagged off with simulator, and aircraft models which will go to various parts of the country, this bus is basically meant for encouraging youth all over the country and to get them acquainted with the IAF as a career, as a way of life. The IAF has been exploring innovative means to connect to the tech-savvy and button-friendly generation and bringing IAF closer to the life through an impact of direct contact programmes. It also gives an opportunity for the youth to take a close look at the opportunities in the IAF. On 10-07-2024, students of Air Force School Sulur, from classes IV to IX along with teachers had the opportunity to visit the Induction Publicity Exhibition Vehicle (IPEV). The visit was organized to provide students with an insightful experience into the various technologies and innovations showcased by the IPEV.

Objective: The primary objective of the visit was to enhance students' knowledge and awareness about the latest advancements in technology and their applications in various fields. It also aimed to inspire and encourage students to pursue careers in science and technology.

The students were highly enthusiastic about the visit. The visit to the Induction Publicity Exhibition Vehicle was a resounding success.
